

Distinguished Technology Educator (DTE) Program

ITEA created the DTE program to provide a means for recognizing members' outstanding performance and accomplishments. It is one of the **highest honors for professional achievement in the field of technology education**. If you have been an ITEA member for at least **10 consecutive years** you are eligible to apply. The application package for the DTE program is available in Members Only on the ITEA website (www.iteaconnect.org). Complete and submit your application by December 1, 2007 so that you can be recognized and honored at the next ITEA annual conference in Salt Lake City, UT, February 21-23, 2008.

To verify eligibility or obtain a password for Members Only, email Lari Price at lprice@iteaconnect.org.
