

Integrative STEM Leadership Pre K-16 Sponsored Administrator Strand at ITEEA's 80th Anniversary Conference

April 12-14, 2018 in Atlanta, Georgia

The International Technology and Engineering Educators Association's (ITEEA) STEM Center for Teaching and Learning™ (STEM CTL™) invites administrators to attend the 80th Annual Conference at NO REGISTRATION COST. Administrator registrations are sponsored and FREE to the first 50 registrants! Come and see what your teachers are learning and experiencing at our conference. But don't stop there. ITEEA is offering a specifically designed Integrative STEM leadership strand for educational administrators. This is a unique opportunity to network, bring back knowledge and strategies to your school, and implement effective K-12 Integrative STEM Education instruction.

ITEEA's 80th Annual Conference in Atlanta, GA is both a meeting and exhibition event where PreK through 12 teachers, teacher educators, and supervisors come together to share ideas, network, and learn. Some of the 2018 highlights include:

- Engineering byDesign™ PreK Curriculum
- Engineering for All – Water: The World in Crisis and Vertical Farms: Fresh Food for Cities (NGSS)
- LinkEngineering.org – National Academy of Engineering
- Research on the T&E of STEM – Council on Technology and Engineering Teacher Education (CTETE)
- Leadership in Technology and Engineering Education– Council for Supervision and Leadership (CSL)
- I-STEM Standards-Based Models – Articulating content with post-secondary Engineering programs
- I-STEM FocalPoints
- I-STEM Education Hands-on workshops
- Integrative STEM Education Opportunities
- Finding STEM Resources for Your School or District

This conference is a unique opportunity for administrators to build understanding and support for programs—as well as to see firsthand how ITEEA's member-educators Bring STEM to Life through Integrative STEM Education!
