

National TEECA Officer Elections are coming up as well. Being a National Officer is an easy application. You first need to have a passion for TEECA. Simply, right? And then have the following items: Student/University Agreement Form, International Officer Nomination Form, Two Letters of Recommendation, and a One page resume. If you have any interest in becoming a National Officer, please ask your advisor to get you the forms or reach out to a current National Officer. If you have any questions about what it is like to be a National Officer, please reach out to any of your current officers listed in this newsletter. They will be more than happy to answer any question you may have. Please consider applying to help maintain TEECA and all that it stands for.

For the National Officer Election forms, you just need to fill out a student/university agreement form, couple signatures, pretty simple. Next, you need to fill out the International Officer Nomination Form. Here you will quickly describe yourself, like a quick promotional description. You will also need to submit a simple resume along with your application. The last item you will need is two letters of recommendation. These can be from professors, employers, faculty, etc. Once you complete all of these, please send them to Dr. Trevor Robinson or [nationaltee-ca@gmail.com](mailto:nationaltee-ca@gmail.com). Application deadline is **January 31st!**

If you are in the process of applying but are waiting on a letter of recommendation or so on, PLEASE let us know that you are intending to apply!

In more exciting news, the competitions guides have been released and are available on the ITEEA website. You will find TEECA once on the site and they will be under the competition tab. This year, we also have a new competition. The Graphic Design Challenge will be made and completed entirely before the conference. The winner of the competition will get their design produced for the conference!

On Tuesday, January 15th at 4 P.M. EST, TEECA will be spotlighted in the ITEEA Webinar. Dr. Trevor Robinson, Benjamin Applegate, and Jackson Otto will be presenting about TEECA, why to join TEECA, how to become involved, and explaining our new competition! Make plans to watch the webinar as it is free for any current ITEEA registered members and students!
