

2022 CTETE Outstanding Research Publication Award

The Council on Technology and Engineering Teacher Education (CTETE) sponsors an annual award for outstanding scholarly research in the field of Technology and Engineering Teacher Education. This award is presented to a member or members of the CTETE who have provided significant service to the profession through the publication of research and related scholarship in the preparation of Technology and Engineering Education teachers or enhancement of professional practice in technology education. The *CTETE Outstanding Research Publication Award* will consist of a framed award certificate and a monetary award of \$500. The *CTETE Outstanding Research Publication Award* is available on an annual basis but will not be awarded should submissions not be deemed worthy of the award after being reviewed by the Research & Scholarship Committee members.

NOMINATION CRITERIA

1. The nominated article must have been published in a peer-reviewed journal between 1/1/2021 – 12/31/2021.
2. The nominated article must be based on an original empirical research study in the field of technology and engineering education.
3. At least 1 author of the article must be a member of CTETE.
4. The nomination can be submitted by the author(s) or by another member of CTETE.

NOMINATION PROCEDURES:

1. Complete the *Outstanding Research Publication Award* nomination form. The form can be found attached to this document or at the CTETE website.
2. Attach an electronic copy of published research article that is being submitted for review.
3. The required nomination form and publication must be submitted *ELECTRONICALLY* to the Chair of the CTETE Research & Scholarship Committee. These materials **must be received by December 31, 2021**
4. The CTETE Research & Scholarship Committee will review the nominated publications using the rubric below and select a recipient.
