

CALL for PROPOSALS

2021 CTETE Outstanding Research Award

The Council on Technology and Engineering Teacher Education (CTETE) sponsors an annual award for outstanding scholarly research in the field of Technology and Engineering Teacher Education. This award is presented to a member or members of the CTETE who have provided significant service to the profession through research and related scholarship in the preparation of Technology and Engineering Education teachers or enhancement of professional practice in technology education. The CTETE *Outstanding Research Award* will consist of a framed award certificate and a monetary award of \$500. Recipients of the award are asked to submit a manuscript of their work to the Journal of Technology Education.

REQUEST FOR PROPOSALS: NOMINATION / SELF-NOMINATION PROCESS

Candidates for the *Outstanding Research Award* may nominate themselves or be nominated by someone else. The application process consists of an initial screening by the CTETE Research & Scholarship Committee based on a brief abstract, followed by a peer review of papers submitted by selected finalists. The CTETE *Outstanding Research Award* is available on an annual basis, but will not be awarded should submissions not be deemed worthy of the award after being reviewed by the Research & Scholarship Committee members.

NOMINATION PROCEDURES:

1. Complete the *Outstanding Research Award* nomination form beginning on the second page of this document. This document is also available from the CTETE web site or can be requested from the chairperson of the CTETE Research & Scholarship Committee. **Persons conducting nominated research projects must be members of the CTETE.**
2. Attach an electronic copy of the 1,200-word abstract or draft manuscript of the scholarly work to be considered. This should include statements of the title, significance, problem, research methods, findings, conclusions, and recommendations. For research not yet completed, anticipated findings, conclusions, and recommendations can be suggested, but the focus should be on the planned design of the research.
3. The required nomination form and abstract or draft manuscript must be submitted *ELECTRONICALLY* to the Chair of the CTETE Research & Scholarship Committee. These materials **must be received by December 31, 2020**
4. Based on review of the nomination forms and abstracts or draft manuscripts, up to three finalists will be selected for further consideration to receive the *Outstanding Research Award*. Finalists will be asked to submit finalized papers reporting the results of their research to the Research & Scholarship Committee.
5. Finalists will be invited to present the results of their research at a CTETE Research & Scholarship Committee sponsored session during the ITEEA conference. The *Outstanding Research Award* will be presented to the selected recipient during the CTETE Business Meeting at the ITEEA conference.
