

EVOLVING TOWARD CREATIVITY IN THE CLASSROOM

Where is the logical place for me to begin evolving toward a more creative classroom?

What strategies can I incorporate into teaching and learning to enhance creative opportunities?

Where am I more likely to have the opportunity for students to focus on more creative expression and experiences?

What activities or learning experiences can I incorporate into my classroom teaching to allow for greater student creativity?

What challenges will I need to overcome in order to achieve a more creative classroom?
