

Reduced Registration Rates in Effect Until March 15

ITEEA's 2023 Conference in Minneapolis on April 12-15, 2023 offers a unique opportunity to learn from and share with other STEM education professionals in a variety of formats and gain comprehensive professional development and networking experiences.

Make New Contacts and Grow Your Network

Take advantage of networking opportunities including a "Welcome to Minneapolis" Evening, Opening and Award Winners Receptions, free Friday lunch in the Exhibit Hall, ITEEA Council "Meet and Greets," and a Mentoring Workshop.

Expand Your Knowledge and Find Solutions to Problems

Dozen of professional learning opportunities include regular and panel sessions, workshops, and field trips. Benefit from specialized strands for Elementary Educators, Secondary Educators, Teacher Educators, STEM Leaders, and topics such as Design, Equity and Inclusion, STEM Careers, Resources, and Computational Thinking.

Present Your Ideas or Work to Others and Get Feedback

ITEEA's ever-popular STEM Showcase has just a few presentation spots left. This is an excellent opportunity to share a best practice with like-minded colleagues and take part in additional networking on Thursday, April 13th. Email kdelapaz@iteea.org for more information.

Be Inspired by the Work of Educators and their Students

Dozens of educators, students, and programs will be honored for excellence at the Conference. And you won't want to miss the incredible work of the Go Baby Go team as it works in real time to adapt ride-on cars for children with mobility issues. See the presentation of the cars on Friday, April 14th.

To register and view the latest conference information, go to www.iteea.org/ITEEA2023.aspx or scan the QR code.
