

TECHNOLOGY AND ENGINEERING EDUCATION SAFETY ACKNOWLEDGEMENT FORM

School: _____

Instructor: _____

To: _____

(Parent or Legal Guardian)

_____ is enrolled in our technology and engineering education program and will
(Name of Student) have the opportunity to use various tools and equipment.

Appropriate instruction in the safer operation of these tools and equipment is given, and close supervision is maintained at all times. Although every precaution is taken to prevent accidents, a certain risk is involved due to the nature of the experience, the age of the student, and the learning environment.

We are asking your cooperation in impressing upon your child the importance of following all safety rules and procedures resulting from the fact that the technology and engineering education laboratory can be an unsafe place to work and learn. This acknowledgement, we believe, will support a safer working/learning experience.

We welcome your visit in our school and in the Technology and Engineering Education Department to see our program. These visits can be arranged by calling _____.

Thank you very much for your help and assistance in providing your child with the “real world” experience of technology and engineering education in a safer working/learning environment.

I have read the attached communication and I understand the type of program that _____
is enrolled in. (Student’s Name)

I will stress the safety aspects of this program to my child. I encourage my child to participate fully in this technology and engineering education program and to follow all safety rules and procedures.
